Thank you to our sponsors!

RMACSM would like to extend gratitude to the following for their support of our program and learning activities.

The American College of Sports Medicine supports us all every year in many different ways – from updating our website, tracking membership, and providing financial support for grants and other programs. For example, the Past President Lecture honorarium is funded from a grant from the ACSM Foundation. Our Board of Directors put in many hours of planning each year. We thank them for providing guidance and support for the growth of our chapter.

Gatorade has been a long-time supporter of RMACSM through a direct grant and through their Speaker's Bureau. Dr. Mary Mile's session at this conference was scheduled through the Gatorade Speaker's Bureau.
